## "COMMUNICATING SCIENCE"

Thursday, October 3  
7:00 pm  
Cleveland 109

Spectacular demonstrations will be used to show how science can be communicated to all segments of our society. Students, faculty, school children, teachers, parents and all members of the community are invited. Come learn about combustion, exploding balloons, floating soap bubbles, polymers, and other scientific phenomena. You will sit at the edge of your seat and will see science in action.
