

"Science is Fun and The Joy of Learning"

**A Chemical Demonstration
Magic Show**
Professor Bassam Z. Shakhashiri
The William T. Evjue Distinguished Chair
for the Wisconsin Idea
Department of Chemistry
Director, Wisconsin Initiative
for Science Literacy
University of Wisconsin-Madison

Friday, April 23rd @ 5 pm

North Classroom
Room 1130
Auraria Campus

FREE – reservations are required

<http://clasalumni.ucdenver.edu/chemistry/openhouse/>

Presented by:
Department of Chemistry
College of Liberal Arts and Sciences
University of Colorado Denver

**Come learn about combustion, exploding balloons,
liquids that glow in the dark, polymers,
and other spectacular scientific phenomena.**

You will sit at the edge of your seat and will see science in action!
